PACKING MADE EASY

KIT LIST

On the second page we put together a kit list to help you to get ready for your stay here at Whitemoor Lakes. Please make sure all the items on the suggested list are clearly labelled. The idea of the list is to keep you comfortable during your stay. If you don't have something, try and borrow it. You don't have to buy everything new just because it is on the list. Check your programme with your group leader and to save time, it is recommended that you travel in clothes suitable for your first activity session

Please note, jeans, 'short' shorts and crop tops are not suitable for activities, we advise tracksuit bottoms. Open-toed shoes are not suitable footwear for activities.

CHECK THE WEATHER

When packing please bear in mind the weather forecasts and adjust your clothing accordingly.

A FEW THINGS TO REMEMBER

- Your clothes may get dirty, so don't bring your best stuff.
- Please do not bring electronic games, radios, personal stereos or anything else that makes unnecessary noise or may get lost or broken.
- No aerosols please (our fire detectors in the bedrooms are extremely sensitive and will be triggered by spray deodorants)
- We advice bringing a suitcase or soft holdall for your main kit as it's easier than a rucksack to keep tidy.
